Additional Gift Items

Sweetgrass Baskets

The Low country is filled with talented artists. The most beloved of these artists are the sweetgrass basket weavers. The retail department has been fortunate to find a group of sisters who have been weaving for over 60 years; they learned this old African art from their grandmother and spent long afternoons weaving together under their Oak tree. It is a fascinating art and the finished products are unbelievably unique and beautiful. The baskets will last over a lifetime and are a great investment! A sweetgrass basket is a unique and elegant gift for anyone visiting Kiawah and the Low country. The ladies are also available to come to Kiawah for your special event to discuss and demonstrate their art. Due to the intricate detail, material availability, and the long hours needed to make these baskets they make a very unique gift for weddings, birthdays, and group events. Please contact us to discuss your needs. The ladies will be happy to create pieces that fit your budget. Any large orders for baskets must be placed with a fair amount of lead time.

Maui Jim (the company, not the man!) will be on site with a full inventory of choices for your group to select. Please contact the Retail Manager if you are interested in setting up a Maui Jim fitting for your group!
